Classification of the mixture

This product is classified as not hazardous. Observe the warnings and precautions in the instructions for use.

Drawing up a safety data sheet according to Article 31 (EC) of the REACH Regulation no. 1907/2006

Drawing up a safety data sheet for this product is unnecessary, as the product is neither classified as a hazardous material nor does it contain hazardous ingredients or materials with Community (EC) workplace exposure limits or substances of very high concern (SVHC) above their particular legal nominal limits. Under REACH Regulation (EC) no. 1907/2006 (REACH), no safety data sheet is therefore required and also not available in this case.
